

DIY ENERGY TIPS

FOR RENTERS

Do-It-Yourself Tips to Lower Energy Bills & Increase Comfort

Save Money, and the Planet!

QUICK FIXES:

☐ Upgrade lighting to LED & save up to 80%

☐ Prepare for winter by sealing windows with plastic or rope caulk

☐ Clothes washing and drying costs about \$1/load. Save money by line drying!

☐ Set water heater to 120° F

☐ Lower thermostat by 5° at night or when away from home & save up to 15% on energy bills

☐ Notify your landlord of free energy auditing services:
